

Care & Maintenance of Loba Oiled Natural Wooden Floor

One of the big advantages of your Floor is that it is so easy to keep spotlessly clean. While your flooring is resistant to stains & abrasions, it is not indestructible. In order to maximize the durability of your floor we recommend the following as part of your normal care & maintenance:

- Place a quality doormat outside the exterior entrance to collect excess moisture, sand, grit etc. Spillage won't mark your floor provided that you wipe it up immediately. Don't allow water to lie on the floor.
- Blot up spills, or water from wet feet or footwear
- Use protective felt pads under furniture legs and avoid sharp or pointed objects with concentrated weight on one spot.
- **First sweep** before you mop the floor – For daily or weekly cleaning you can use the **Loba Parkett Refresh Spray / Parkett Cleaner** with a damp mop to clean your floors. For a monthly care treatment we recommend you clean the floor with **Loba Wax Cleaner** by diluting 200-300ml into 10 liters of water. Squeeze the mop properly, it must be just damp - mop towards yourself to avoid smearing dirt over clean areas – Ideally use 2 buckets one with soap water & one with clean water for rinsing out. Allow floors to dry.
- As an annual maintenance treatment the floors should be treated with **Loba Parkett Oil** – it refreshes the floor's finish while removing marks, dirt & other grime. It is easy to apply & retains the matt finish.
- On a tri-annual basis the floors should be treated **Loba Care Remover** which will remove a buildup layers of wax & thoroughly clean off heavy soil & grime and a new application of **Loba Parkett Oil Pro** is then applied.

DONT'S

Do not allow excess liquid to remain on the floor's surface

Do not use soap-based detergents, abrasives cleaners or "clean and shine products that wax or polish

Do not use steel wool or other scouring pads that may scratch

Do not steam clean or use chemicals that may damage the floor surface

Loba products are highly concentrated strong acting cleaners especially for oiled wood floors. They can be obtained from Eurofloors Knysna. 044-3827876 showroom
